

YOU ARE THE GIVER OF GOD'S GIFT

In stillness, practise recognising who you truly are. Allow your thoughts to unite with God's Thoughts through Holy Communication. Surrender the world to the Holy Spirit so that you can extend all of God's Peace here and now.

THE PEACE OF GOD IS SHINING IN ME NOW.

When we learn to observe ourselves internally, it becomes possible to also observe our perceptions. These perceptions are responsible for what we see—for our opaque and dull vision. Recognizing who we are is fundamental to recognizing the Vision of Christ... the Vision of the One who is the Source of all Light. It is neither opaque nor dull, nor is it meant to be contained within the body of a mind that believes in separation. Absolutely not.

We are givers of this Vision because we are in God. It is our Inheritance, our gift, and it has never been interrupted, despite our forgetfulness and our efforts to contain it. To recognise is to remember. It is to forgive. It is allowing our Being to no longer be held back by perceptions of a bad, unfinished dream. It is allowing the 'insistently forgotten part of us' to recognize the Brilliance of God's Peace and integrate into His Being. Through Vision, we will contemplate the whole of Creation; we will contemplate the world in God.
