

RECEIVE THE MIRACLE
THE DIAMETER OF THE EGO

God's Plan is simple, never circular and absolutely complete. Nothing is lacking, nothing is fragmented or excluded. Insanity, on the other hand, is pure dissociation, for Reason is beyond the reach of the ego.

All kinds of doubt belong to the ego system, but it is from Reason that true questioning springs... that which allows us another Vision and another Voice. And the ego never surrenders to the Obvious. It is devoid of Reason and, therefore, does not understand It nor learn what It extends.

The function of Reason is to illuminate the laws of size, shape and brightness, so that we may recognise another Being beyond the ego and walk freely through our consciousness. This Being receives Miracles as a natural

response to each surrender to the Holy Spirit, because it is aware that Holy Communication takes place between minds and that they have, in fact, never been separate. They are in the Unity extended by their Creator.

And where else would the Answer to all our questions be but in the part of the mind where Reason is fact? Does Reason not reveal to us now that our questions must have come from a 'place' not yet recognised, but which cannot fail to belong to us?

Faith and belief, upheld by reason, cannot fail to lead to changed perception. And in this change is room made way for vision. Vision extends beyond itself, as does the purpose that it serves, and all the means for its accomplishment (T-21.V.10:4).

EXERCISE 02.11.25

Take off that helmet. The sword reveals your courage; the wings reveal Who your Father is. But do not fight with the ego. It is not real and therefore will never be an opponent. Fighting with an illusion is insanity. Attributing strength and greatness to the ego is a thought of attack against yourself.

Notice how the ego's diameter diminishes as we communicate with the Holy Spirit and dissolve its supply.

Perceive your discomforts as a path to Reason, trusting relationships as a means of receiving the Miracle.

Surrender your perceptions to the Holy Spirit so that He may reinterpret them, one by one. Trust!

MIRACLE AT ONE
REMEMBER WHERE
YOUR COURAGE COMES FROM

Why do we plunge into fear? What leads us to experience the world exactly as we perceive it? What encourages us? What attracts us to contract Totality into a body-world?

The only true answer is God. He is not the cause of separation, nor is He to blame for our choice. But He is the Source of Existence, the Origin of all Creation. And Creation is His Extension, for Love cannot conceive of fragmentation.

Love only conceives of what is Eternal, and therefore, in Him there is Freedom. It is because of this fact that we seem to be here, or anywhere we have desired to be. And what encourages us to be exactly where we are is God. God in All His Glory.

It was not out of fear that we dreamed of separation... it was out of Freedom. And Freedom is the very Love of God. That is the Answer... the Love of God. What motivates us, in Truth, will always be His Freedom, which is ours, because we are One.

To look at our body-world and recognise God's Love is to allow the Light of Creation to be revealed. It is to commune with Our Essence. It is to undo all the fear that keeps us identified with the finitude of the world, and not with His Magnificence.

A THOUGHT FOR THE WEEK
WHOEVER PLAYS WITH FIRE,
ENDS UP GETTING BURNED

And whoever plays with the ego, ends up how? Whoever plays with the ego ends up identifying with it. To stop identifying with this insane idea and with this state of mind that has forgotten God, we breathe... Breathe. If the ego, which is fear, produces more fear, breathing, which is a means of attention, brings us awareness. Here and now, in the present, the more aware we are, the more we can observe ourselves and recognise the Certainty that we are where the Voice of God silences the thoughts that the mind still maintains in this game.
